Whether you're headed to a vacation home for the summer or pulling up stakes for a new place, keep the credit union in the loop. Let us know your new address. If it's a seasonal move, we want to make sure any debit or credit cards will be accepted while you are away. As a safety precaution, the use of a card in a new location may trigger the account to be frozen. Save yourself any embarrassment and frustration of your card being declined by notifying us of the dates you plan to be away.

If it's a permanent move, there's no need to discontinue your membership. With our many electronic services, you can still have the credit union at your fingertips. But please advise us of your change of address so that we can keep your account information up-to-date.

Dreaming of an all-expenses-paid vacation getaway? It might be easier than you think when you open a Vacation Club account at the credit union. A Vacation Club account enables you to easily stash your cash. And if you use payroll deduction or an automatic transfer, it will be painless. That is because if you don't see it, you won't miss it. Even saving small amounts each week can add up. For example, open your account with a \$100 deposit. Add \$25 a week, you will have \$1,300.00 at the end of 12 months. Of course, the more you add each month, the more you will have for your next vacation. So, whether you are planning a family road trip or a couple's romantic retreat, open your Vacation Club account today.
