With our mobile app, you also can check your account balances and view other details about savings, checking, IRA's, and loans. View pending authorizations for your debit card and for Automated Clearing House (ACH) transactions, too. Find out all you can do with your mobile device by stopping by the credit union. Then download the app and enjoy all the conveniences of having Goetz Credit Union in the palm of your hand.

### Savings Club Can Make Vacation Dreams Come True!!

If you're dreaming of a special vacation, but don't think you can afford it, join the club - the Vacation Club at the credit union, that is. Money experts agree that earmarking funds is one of the best ways to save. Make it easy by using payroll deduction or an automatic transfer to regularly add money to the account. What you don't see, you don't miss.

Get the whole family involved, too. Have the kids decorate a box or jar with images of your vacation destination. Then use it to collect spare change as well as discretionary funds - money saved by eating in and renting or streaming a film instead of going out for dinner and a movie. Periodically, take the money and deposit it in your Vacation Club account at the credit union. Working together to save for your vacation will make playing together even more fun.

### Credit Union Vehicle Loan May Lower Your Rate!!

Everyone deserves a second chance. So, if you financed your vehicle elsewhere, we'd like to see if we can lower your interest rate with a credit union loan. Or maybe you want to shorten the term in order to pay off your loan earlier, or lengthen it to lower your monthly payments. We want to help you with a loan that fits you like your driving gloves. Contact the credit union to find out just how easy refinancing can be.

And if you're in the market for new wheels, stop by the credit union for a pre-approval. That way you can shop like a cash buyer, getting the vehicle you want. At the credit union, we'll work with you to put you in the driver's seat.
