Drive into summer with a low rate **VEHICLE LOAN**

Whether your summer travel plans include a cross-country road trip for the family vacation or simply navigating cross-town traffic to get to work, make sure your vehicle is up to the task. If it's not and new wheels are in order, visit the credit union for a low rate pre-approved Vehicle Loan. With a pre-approved loan from the credit union, you have the freedom to shop for the vehicle that you want, not the one a dealer is trying to sell you. Start by making a list of what's important to you, like that excellent gas mileage or room for your growing family. Then do your homework by reviewing the website NADA.com to check the value and call us to get a free Carfax. Keep in mind that a late model used vehicle may be the best value. According to Consumer Reports, vehicles lose 46 percent of their value in the first three years. That depreciation can work in your favor, giving you more vehicle for your money. Whether it's new or just new to you, you can't go wrong financing your vehicle with a credit union loan. Call, click, or stop in the credit union for your application.
